Teacher Certification

- Smaller program where everyone knows your name
- Friendly atmosphere
- Open advising

Agricultural Education and Leadership
College of Agriculture, Food and Natural Resources
Possible Careers

- Secondary Ag Teacher
- Production Services
- Sales Representative
- Soil Scientist

The teacher certification program prepares students to meet state teacher licensure requirements necessary to teach agriculture, food and natural resources in formal settings at the secondary and adult levels.

Capstone experience involves a semester-long teaching internship in a secondary agriculture program.

Average Starting Salary
