

Good Standing: A student whose term and cumulative grade point averages (GPA) are both 2.0 or higher is in good academic standing.

Probation: A student whose cumulative GPA is below 2.0 or whose term GPA is at least 1.0 and below 2.0 is placed on academic probation. Following one semester on academic probation, a student who does not meet the requirements for good standing will be placed on **continued probation**.

Ineligible to re-enroll: May occur for one of two reasons -

1. A student, regardless of prior standing, whose term GPA falls below 1.0 and whose cumulative GPA is below 2.0 will become ineligible to re-enroll for one calendar year.
2. A student on academic probation must establish a 2.0 cumulative GPA within two successive terms of enrollment (not including summer); otherwise, the student is ineligible to re-enroll for one calendar year.

Additional Academic Standing Information:

1. Application of the foregoing rules apply regardless of term hours completed.
2. The Associate Dean of Academic Programs will determine how an in-progress or incomplete grade in a course will be considered in determining a student's academic standing.
3. **The Associate Dean of Academic Programs has final authority in decisions regarding academic standing for undergraduate students.**

Appeal of Ineligible Status:

1. A student may appeal their ineligible status by submitting a detailed letter and supporting documents to the Associate Dean of Academic Programs.
2. A student who is deemed ineligible to re-enroll may be readmitted only upon the approval of the Associate Dean of Academic Programs. As a condition of readmission, the Associate Dean may set forth stipulations with regard to minimum standards of academic performance.
3. The Associate Dean of Academic Programs may, in extenuating circumstances, waive regulations governing eligibility to re-enroll.

Registration Holds (Negative Service Indicators) for Students Not in Good Standing: A student on probation or continued probation will have a hold placed on their myZou account. To have this hold removed and make changes to their current term or enroll in a future term, the student will need to meet with an academic advisor in their major.
